

LOSING WEIGHT GAINING LIFE...

Medically Supervised Weight Loss Programs

Long Island
Cardiovascular
**Weight Loss
Division**

WHAT MAKES US UNIQUE:

- We individualize a specific Weight Loss program for you. We offer both Medical and Pre-Surgical Weight Loss plans to help you **take off & keep off significant weight!**
- **Our medically supervised programs combine:** individualized diets, exercise, one on one counseling, and the highest quality medical care (there are often medical conditions that affect weight gain).
- **A team of Physicians & Practitioners including specialists in:** Nutrition, Exercise Physiology, Endocrinology, Internal Medicine, Psychology, Cardiology and Bariatric Surgery.
- A caring and compassionate group of medical and support professionals with the highest integrity recommending **"What's Truly Best For You."**
- You'll receive the professional treatment and personal care **that you deserve!**

HOW DO I GET STARTED?

Call us to schedule a comprehensive weight loss and medical consultation. We'll discuss your goals and make recommendations concerning your long-term health and weight reduction goals. All of our Physicians are Board Certified.

When you become a patient of ours, we will help you to not only lose weight, but to gain life as well. You'll be supported by a new group of people who really **CARE ABOUT YOU!**

For further information or to arrange a Consultation, please call or email Linda Lavalley, R.N., CDE
